Dimensions

Designed to integrate with back office systems and hundreds of different components, including pin pads, scanners, and more, Meridian Smart Lockers provides a complete package pick-up and drop-off solution.

Locker administrators can utilize Meridian's Locker Software Development Kit (SDK) to create and customize their own software application. The Software Development Kit can also integrate with Meridian's MzeroManage remote management software to allow operators to monitor and manage multiple kiosks in remote locations.

Small Doors

Compartment Dimensions

16" w x 3.25" h x 22" d

Door Dimensions

18.76" w x 4.25" h

Small door columns will always include a medium door at the bottom.
