Vertically integrated kiosk manufacturer delivering solutions from concept to completion

## Benefits of Meridian

- ISO 9001:2015 Certified
- UL Self-Certify Facility
- Experience Across All Industries
- Experts in ADA Compliance, FCC, & HIPAA Compliance
- Full Scale Production Facilities
- SOC 2 Complaint Company
- Full In-House Engineering Design Team

### Custom Design Process

Meridian has the ability to consult directly with clients to ensure that their exact needs are being met throughout the entire design & building process

### American Made Solutions

Total in-house production means everything from software to powder coating is done by Meridian instead of a third party or a plant overseas.

## American Made

Our entire in house process means that everything from initial designs to the final product being shipped is done by the Meridian team. No need to deal with overseas shipping nightmares. Meridian is your one stop shop for your unique solution.

## About Meridian

For over two decades, we've helped our partners succeed by designing, engineering, manufacturing, & integrating hardware and software solutions from our 13-acre headquarters in North Carolina.

Delivering American Made Self Service Solutions Since 1999

Meridian is a complete end-to-end self-service innovator, all of our products are designed and built in house, OEM solutions are available upon request.
