[Sales@Mzero.com](mailto:Sales@Mzero.com)

# Ticketing Solutions

## Outdoor Ticketing

Designed to withstand harsh weather conditions while still being user friendly

## Indoor Ticketing

Free up staff & streamline the ticketing process with user friendly automated ticketing solutions

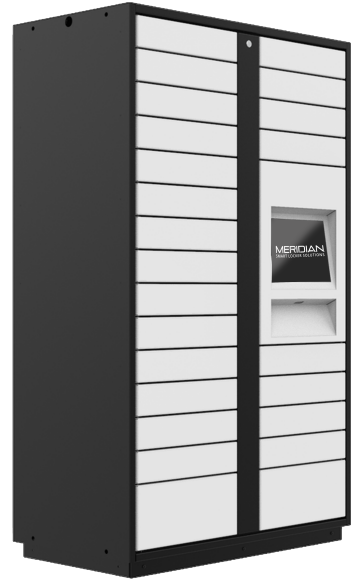

## Key Drop

Originally an automotive solution, the Key Drop is perfect for storing & dispensing small items

# Smart Lockers

## Customer Lockers

Allow customers to purchase or store items in one convenient location. Built with tamper-resistant materials and a durable powder-coat finish.

## Rental Lockers

Offers a reliable solution for personal item storage with user-friendly lockers and customizable retrieval methods from QR codes, RFID scanners, and more.

## AVAILABLE ALERTS

### DOOR OPEN ALERT

Reports if a locker door is left open after the interaction is complete.

### USAGE REPORTS

Details all interactions made with the smart locker system.

### LOCKER STATUS

Reports the status of all lockers (Open, Closed, Full, Empty, Assigned, or Unassigned).

### ABANDONED ARTICLE

Reports if an item has been left in a locker beyond a specific time frame.

## OEM Lockers

Meridian can design and build a solution that meets your company's specific needs, creating your own smart locker custom solution.

Customizable graphics and door sizes fit every environment and aesthetic.

## Food Ordering

Free up staff by automating the process of food ordering and payment, increasing satisfaction and providing contactless ordering
